Dear Mrs Manley

Aug-30-1941

I have been in Cincinnati all week. Mrs Manley it will be impossible to get any games for the week you mention. We have one game scheduled that is with local Homestead club. I suggest you wire Joe Louis at Portsmouth VA - 169 Key Rd. also John Robinson 177 W. Queen st Hampton VA for games at Newport News. You could get Cubans or Black Yankees or Baltimore Cubans could come direct from Cincinnati meeting you in Portsmouth or Newport News for 9th. I hope we get a nice crowd at Polo Grounds to show the bookies we dont have to have them to promote games. It is a shame if it is true that they refused to let Frank Forbes work on our game Sept 14th. I run in to same thing at Cincinnati. Remember Whiteose for White Colored are daff in some of their estimations. Where money is concerned.
